The three-night plan

Night 1: Chicken plate

Serve warm chicken with rice and steamed or microwaved vegetables. Shred or slice the extra and set it aside right away.

Night 2: Quesadillas or wraps

Fold shredded chicken, cheese and salsa into tortillas and crisp in a skillet 2 to 3 minutes per side.

Night 3: Quick soup

Simmer 4 cups broth with frozen vegetables for 10 minutes. Add the last of the chicken and a handful of noodles or rice and heat until hot throughout.

Tips for better leftover chicken

Add a splash of broth or water when reheating so it stays moist.

Add fresh flavor at the end: lime juice, herbs or hot sauce.

Keep the bones and simmer them with water, onion and carrot for homemade broth.

Shred chicken while it is still warm. It pulls apart more easily.

Cook once, eat twice

Doubling a

is the easiest way to get a head start on the next two nights. It also helps with
picky eaters
, since each night looks different even when the base is the same.
